

REFRIGERATOR SLIDE UNIT

SAFE AND SECURE

When working off site or in the heat of the Australian sun, having a fridge on board your work vehicle is a great way to keep cool and your energy levels up. However it's vital the fridge is securely stored on the vehicle and it can be safely accessed. Minecorp's Refrigerator Slide Unit provides a secure platform to mount a fridge and a seamless, easy operating sliding mechanism for quick and convenient accessibility. Minecorp's Refrigerator Slide Unit has been manufactured with galvanised steel and designed for maximum strength and durability is a must for remote travelling vehicles, those who are off site often and for long periods of time.

Minecorp recommends the use of a dual battery system when operating portable fridges to ensure the main battery isn't drained so the vehicle can start without hassle. It is designed as an option for the 2500 Series Service Box, and suits 695L x 430W size fridge. ARB 47L fridge/freezer Engel and Waeco fridge/freezer variants are also compatible.

PRODUCT NUMBER

- **M72000172/S** : Fridge Slide Unit suits Fridge 695mm x 430mm
