

GUARD MOUNT AERIAL BRACKETS

MADE TO SUIT 5 STAR ANCAP VEHICLES WITHOUT A BULLBAR

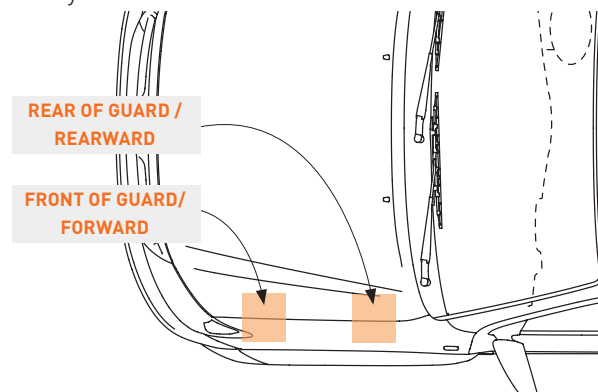

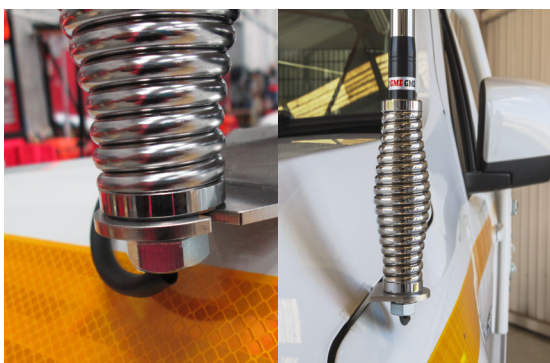

Minecorp's Guard Mount Aerial Brackets give you the option of mounting an aerial to your vehicle in a quick and easy manner. The mount bolts through OE holes under the bonnet and anti-abrasive tape is supplied to ensure no rubbing occurs to the bodywork.

VEHICLE	YEAR	IMAGE	PRIMARY (REARWARD LHS GUARD MOUNT)	SECONDARY (FORWARD LHS GUARD MOUNT)
FORD PX RANGER	2011-2014		M63000114/S	M63000114/S
	AUG 2015+		M63000114/S	M63000132/S
HOLDEN COLORADO ISUZU D-MAX	2012+		M63000123/S*	
	2017+		M60130044/S	M63000123/S*
