

2500 SERIES SERVICE BOX

THE ULTIMATE SERVICE BOX

Minecorp 2500 Series Service Boxes are constructed from powder coated 2.5mm smooth, high grade aluminium and heavy duty galvanised steel shelves. This service box is ready for work and will stand up to use in the harshest of environments.

The largest Service Box in the Minecorp range, its perfectly suited for Single Cab fleet vehicles that require a large range of tools and equipment on board. Its universal design means the Service Box can be positioned on either side of the vehicle. The 2500 Service Box comes with electrical extras including central locking, wiring loom, LED lighting, Cig, Merit & USB sockets.

- **THREE SHELVE OR FOUR SHELVE VERSIONS**

The Minecorp 2500 Series Service Box comes equipped with height adjustable shelves in two rows. Additional shelves are also available to order.
