

MUD SKIRT - BULLBAR MOUNTED (TOYOTA LANDCRUISER 70 SERIES 2007+)

SUPERIOR PROTECTION AGAINST THE HARSHTEST ENVIRONMENTS

Developed specifically for the Toyota LC70 Series vehicles used in harsh environment and driven over tough terrain. The Minecorp Mud Skirt provides essential protection to the vital components of the vehicles underbody. An ultra heavy duty neoprene sheet, securely mounted to the bullbar of the vehicle significantly reduces the risk of damage to your vehicle. Keeping it on the road and avoiding costly repair bills.
