

UNDER TRAY ROLLER DRAWER (FOR SINGLE AND DUAL CAB MCT)

SECURE STORAGE SPACE

Minecorp have developed a secure under floor storage for the MCT Tray, running the length of the underside of the tray floor. Suitable storing a wide range of accessories.

Lockable latches on the door and a door ajar alarm system ensure security and piece of mind. The door of the storage drawer is powder coated to match the canopy and protect against the elements.

FEATURES

- Suits MCT Trays for both Single and Dual Cab
- Rear door with twin lockable latches
- Door ajar alarm system available to order separately (**T66000111/S**)
- Powder coated door to match tray
- ADR approved licence plate mounting location
- Draw comes with dividers to securely store a range of different accessories
- Galvabond body with heavy duty Galvabond Steel mounting system

STORAGE SYSTEM	PRODUCT DESCRIPTION
 A white under-tray roller drawer is shown open, revealing a metal tray with two compartments. The drawer is mounted on a white vehicle chassis.	Under Tray Roller Drawer to Suit Single Cab
 A white under-tray roller drawer is shown open, revealing a metal tray with two compartments. The drawer is mounted on a white vehicle chassis, which appears to be a larger model than the single cab version.	Under Tray Roller Drawer to Suit Extra & Dual Cab
