

BOOT SCRAPER / TRAY STEP

PRACTICAL AND VERSATILE TRAY ACCESSORIES

Minecorp have designed a versatile accessory for its Single Cab MCT (Minecorp Commercial Tray) that doubles as a tray step and a boot scraper. Simply bolted to the rear of the MCT headboard, this accessory is available to order individually for the left hand side or right hand side of the vehicle. A twin pack for both sides is also available. Crafted from 6mm mild steel for superior strength and durability. Finished in a yellow powder coating for increased safety.
